Will & Becky - I have reviewed the "Request for bond release" submitted by Lisbon Valley Mining Co. LLC for their Mine in San Juan County. In summary they have requested "grading and partial growth medium placement" release for Dump C and 2 haul roads. Here is there break down on the surety release :

2. Sentinel Haul Road - 6.0 acres (all BLM land)
3. Centennial Haul Road (also noted as Phase II hauls)- 5.6 acres (SITLA section 36)

The Partial Reclamation Bond release Requested is \$151,626 as noted in the attached document.

Please send your concurrences via email.
